**Re:     *United States v. Castillero, et al., 1:23-cr-622-JMF***

Dear Judge Furman:

I represent defendant Brian Martinsen in the above-referenced matter. I write pursuant to Rule 3(C) of Your Honor's Individual Rules and Practices in Criminal Cases to respectfully request approval for Pretrial Services for the Southern District of New York ("Pretrial Services") to assign Mr. Martinsen a new pre-trial officer in the Southern District of Florida.

Since October, Mr. Martinsen has been living at his residence in Palm City, Florida, in the Southern District of Florida. Mr. Martinsen's bond allows him to be in the Southern District of Florida. Mr. Martinsen will be spending most of his time at his Florida residence between now and May 2025. Mr. Martinsen spoke with his current pre-trial officer in the Eastern District of New York regarding his request for re-assignment. His current pre-trial officer did not oppose the request but asked for us to confer with Pretrial Services. Pretrial Services does not oppose either but asked us to file this letter motion with the Court for approval. The Government consents to this request, as well.

For these reasons, we respectfully request approval for Mr. Martinsen be assigned a new pre-trial officer in the Southern District of Florida.
